WELCOME

We are delighted to be back for our second year after a hugely successful inaugural event in 2022 and this year's festival promises to whet the appetite once again.

The Subscription Rooms plays host to some great guest speakers and masterclasses kicking off on Friday May 19th with food campaigner and cook, Jack Monroe – In Conversation.

Oz Clarke will be on hand with a set of wine tasting masterclasses designed to be both informative and fun and if that's not enough booziness for you, experts will be on hand to guide you through the wonderful world of scotch whisky and rum. The amazing RSVP Bhanga will be performing at the Subs on Saturday night at a subsidised festival rate of £6 a ticket.

This year all of the food demonstrations will be free to attend and will be taking place in Lansdown Hall featuring a host of local chefs such as Erin Baker, The Circus Chef and Matt Beardshall. Bank Gardens will once again play host to a fabulous family festival with loads of free stuff for kids to make, see and do while you relax and enjoy a drink and some of the fantastic street food.

Fawkes Place will feature a number of amazing food trucks to satisfy every appetite with delicious food to be washed down with a nice pint or fabulous G & T from the Polo Gin truck

The offering will stretch further this year with a great Woodchester wine bar serving their award winning wine outside the Sub Rooms. The Big Red Bus bar will be back in town on London Road surrounded by an even greater selection of food trucks and market stalls.

Weber barbecues will be providing free lessons and demos in the Five Valleys Centre, Vegan Alley is back along Lansdown with a great selection of plant based street food and the ever popular Vegan Market will be taking over Cornhill on Sunday May 21st

One of the main aims of this event is to also highlight the amazing Saturday Farmers Market, bars, shops, restaurants, markets and cafes that Stroud has to offer so make sure you pay them all a visit. So have a great time, eat, drink and enjoy the festival..

THE TEAM

INFORMATION

Getting Around

The full festival map can be found in the middle pages of the programme. Stroud has a very well served public transport system of rail and bus with the stations situated centrally. We request that you use public transport wherever you can. Once in town, everything is within easy walking distance and almost entirely wheelchair users and mobility scooter friendly.

Parking

There are a number of council and private car parks around Stroud, all marked on the map in the centre pages. Disabled parking is available in the Church Street car park, Stroud Multi-storey car park and the Five Valleys car park.

Festival Times

The Festival runs from Friday evening to Sunday evening. Many of the local businesses and Farmers Market will remain open later than they normally do and our festival bars, food-trucks and events will be open at the following times.

EVENT TICKETS

We have a fantastic line up of ticketed events within the Sub Rooms and free cooking demos at Lansdown Hall. Tickets are available to purchase at the Sub Rooms box office in person and online via www.stroudfoodanddrink.com

Dogs

Please feel free to bring your dogs out with you for the day. We have asked local businesses to put out water bowls and please pick up all dog waste and dispose of it responsibly. Check with local businesses that their premises are dog-friendly before going in.

Toilets

Marked on the map in the centre pages, you will find the Stroud toilets opposite Fawkes Place. Five Valleys has a couple of toilets too. We will also have a number of porta-toilets within Bank Gardens and Fawkes Place. We encourage all pubs and bars to allow visitors to use their facilities but please check with them before using.

First Aid

Festival First Aid is in Bank Gardens on Saturday and Sunday. Other locations for first aid posts are in the Sub Rooms for anyone attending events there. Stroud General Hospital is situated on Trinity Road GL5 2HY, a short walk from the town centre.

Water Points

there is a water bottle fill station located in Bank Gardens (shown on the map on pages 16+17). We have spoken to many of the pubs, bars and restaurants about offering tap water to visitors and we will have bottles of water available at the bars.

Lost Children point

This will be located within Bank Gardens and will be signed clearly within the children's area.

Recycling

We have placed a number of recycling bins around the town so please carefully dispose of recyclable waste so that it can go on to have another life. We will be using fully compostable veg-ware drinking cups across all of our bars.

Street Drinking

Stroud Town Council have a strict **NO STREET DRINKING** policy within the town. Please respect this and keep within the designated bar areas when consuming alcohol.

Safety

We have SIA certified security on entry points to our licensed festival areas. They may search bags randomly for sharp items and alcohol and will limit numbers to each area for the sake of comfort and safety. We will have marshals throughout the town, helping to direct festival attendees to areas of interest and helping with pedestrian and vehicle traffic management. Please note that whilst some roads will be closed and pedestrianised, the town will still have a active traffic on certain roads so caution is required at all times. The festival is supported by Gloucestershire Constabulary, Community Police Support Officers and Stroud District Council Neighbourhood Wardens.
